Dental AESTHETICS

brisbane **smiles**

A new smile with Brisbane Smiles® is very

different to other smiles

You get an independent dental practice that works personally with you to help you smile more!

THE BRISBANE SMILES® *Advantage*

1. **Our Process to Develop your New Smile**
We work closely with you to personalise your new smile through each step.
Smile Simulation › Smile Preview › Trial Smile › New Smile
2. **Our Integrated Dental Laboratory creates Beautiful Smile Restorations**
Our own Dental Technicians handcraft your Porcelain Veneers and Crowns onsite and meet personally with you to talk shape and colour.
3. **Cases that Prove Results**
We can show you similar cases and outcomes to give you the confidence that we can create a beautiful result for you.
4. **Experience and Attention to Detail**
With many years' experience at what we do, our attention to detail is best.
5. **Our use of Technology to create a Natural Smile**
We leverage our technology to make our process seamless and painless to give you the best aesthetics and structural integrity for your New Smile.

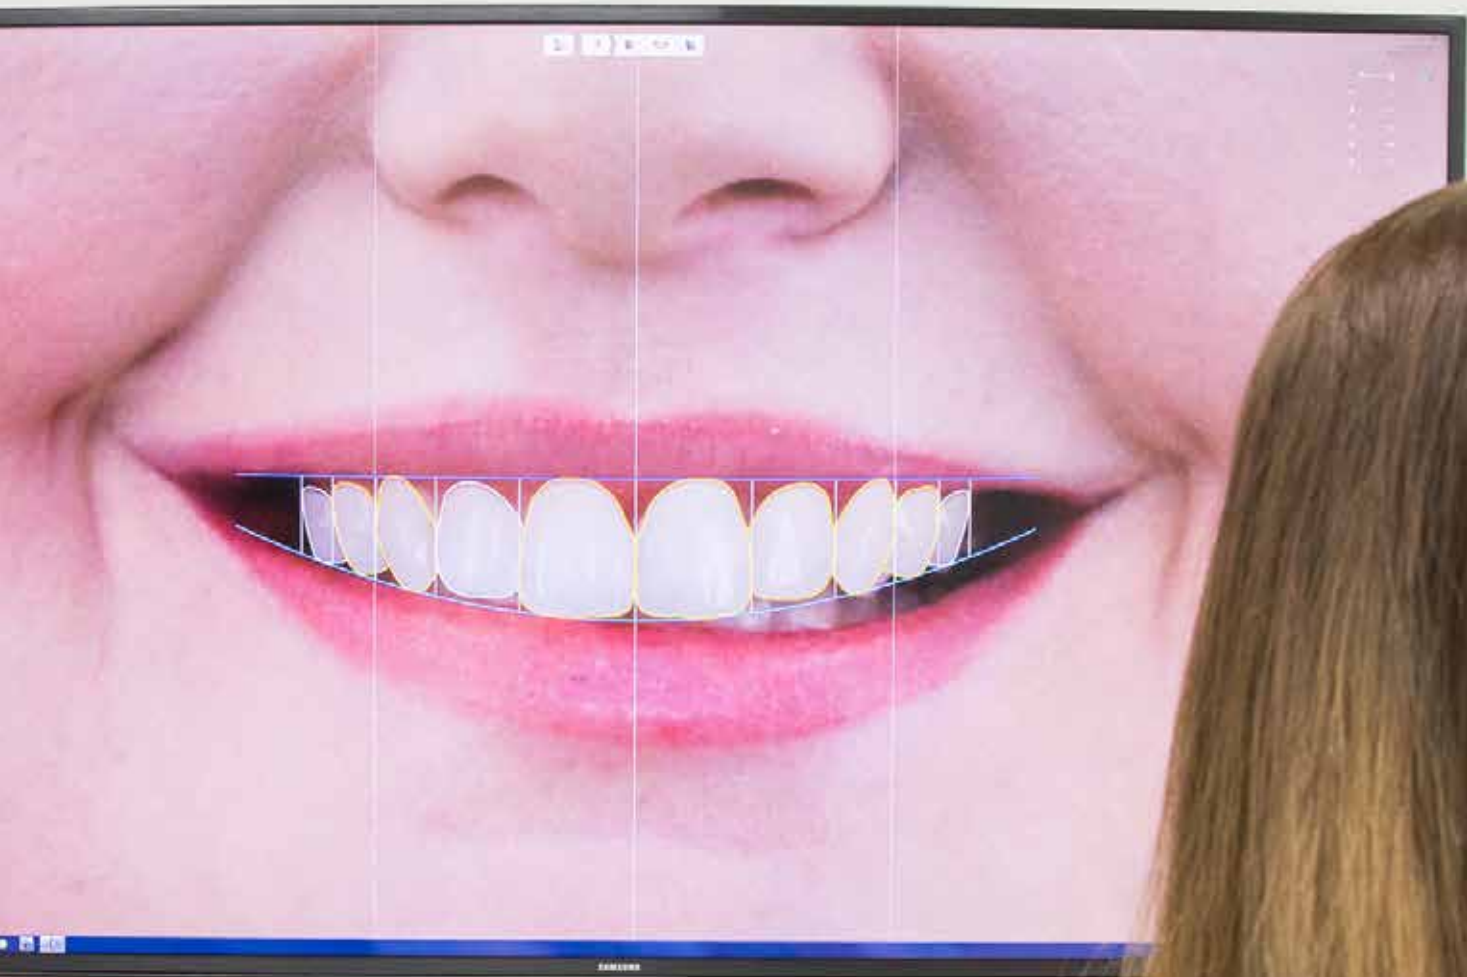

Step One

OUR PERSONALISED PROCESS

SMILE SIMULATION

At your first appointment we will show you a Digital Smile Simulation to help you understand your future smile possibilities.

Step Two

OUR PERSONALISED PROCESS

SMILE PREVIEW

At the next appointment we will show you a Smile Preview inside your mouth to help you understand your likely New Smile in more detail.

Step Three

OUR PERSONALISED PROCESS

TRIAL SMILE

At the first treatment appointment, you will leave with Trial Restorations. You will be able to 'test drive' your new teeth, so that we can personalise your new smile to perfection.

Step Four

OUR PERSONALISED PROCESS

FINAL SMILE

As your New Smile is inserted,
our process ensures there are little surprises.
Your beautiful New Smile is complete!

'I believe a beautiful smile encourages
self-worth, it represents you
– your **friendliness**, your **confidence**,
your **trustworthiness**, your **happiness**.'

– patient, Gail J.
